Overall Grading Description

Music Appreciation is designed by unit, corresponding to the time-periods in music history. Below is a description of all areas of the course and the way in which each is graded.

Chapter Quizzes (In Revel)

- **Unit intro and chapter quizzes are based on the Revel reading assignments**
- Reading assignments are located in the Task Sheet for each unit and in the course schedule.
- You can ignore the quiz due dates in Revel and follow the Task Sheet. Revel only allows for a certain amount of material to be assigned to a certain day, so some of the work is spread out.
- None of the writing assignments are assigned.
- Check your grades and for missing assignments by clicking on "Scores" on the main page in Revel.

Requirements:

- Complete each end-of-section quiz by the due date and time

Grading:

- Quizzes are between 5 and 10 questions, each worth 3 points
- Quizzes are worth 20% of your overall grade.

Discussion Board (In Brightspace)

- Discussion Boards for each unit
- Topics facilitate conversation, encourage collaboration, and create a "virtual classroom."
- **There is no opportunity to make up this portion of the course.**

Requirements:

- For Each Unit's Discussion Board: Write one original response post to the instructor's prompt AND respond to the post of another student. (You will have a minimum of 2 posts total for each unit....more are encouraged.)
- EACH post should be 150 words.
- Attempt to use terms and elements from the readings
- Make posts before the due date and time (located on Brightspace)

MUSIC APPRECIATION

MUSI 1306_M1

Grading:

- Response to Prompt = 50 points
 - Length (Up to 25 points) – Many well-worded sentences. Minimum of 150 words.
 - Content (Up to 25 points) – Use terms and elements discussed in the readings. It should be obvious that you have read ALL of the material for the unit. Work to enhance your ability to discuss music.
- Response to Student = 50 points
 - Length (Up to 25 points) – Many well-worded sentences. Minimum of 150 words.
 - Content (Up to 25 points) – Further the conversation. Use appropriate terms and elements of music. Example of a post that would NOT receive credit: “I totally agree with you!” or, “Thank you for posting that. I really like the way you stated....”
- The Discussion Board is 20% of your total grade.

Unit Exams (In Brightspace)

- Unit Exams cover the content found in the assigned chapters for each unit

Requirements:

- Complete each exam by the due date and time, after completing all of the assigned reading and chapter quizzes.
- **You must check EVERY box in the task sheet in order to gain access to the unit exams.**
- **You must also make one attempt on each exam before the next unit will show up.**

Grading:

- 50 questions, multiple-choice, worth 2 points each
- Unit Exams are 40% of your total grade.

Final Exam (In Brightspace)

- The cumulative Final Exam covers the content from the entire semester

Requirements:

- Complete the Final Exam by the due date and time
- **You must make at least one attempt on Exam 5 to gain access to the final exam**

Grading:

- 100 questions, multiple-choice, worth 1 point each
- Final Exam is 10% of your total grade.

Extra Credit (In Brightspace)

- **Unit Exam Reviews**
 - Requirements:
 - Download the reviews for each exam. Save the file. Fill in the answers to the questions. Save the file as a .pdf. Submit the completed review on Brightspace prior to the exam's due date and time.
 - Reviews will not be accepted late.

MUSIC APPRECIATION

MUSI 1306_M1

- *Each Review is worth up to 1 point on your total grade (up to 5 points total).*

Late Work, Attendance, and Make-Up Work Policies:

Grading Timeframe

- Quizzes and Exams are graded instantly. Discussion Board posts will be graded within two days of the close of each unit.

Assignment Planning

- You should plan to spend approximately 6-7 hours per week to complete all assigned materials and assessments.

Late Work

- **Late work will not be accepted for any discussion board posts, any of Unit 5, Concert Review 2, or the Final Exam. Refer to the course schedule for the last-day-of-class date.**
- Do not wait until the last minute! Procrastination is not your friend. Experiencing technical difficulties while trying to upload an assignment 30 minutes before it is due, does not demonstrate your ability to plan ahead. Give yourself plenty of time to run into problems and get them fixed before your assignments are due. I will always work with you whenever possible.

Attendance

- **Students are expected to login to Brightspace and Revel and complete work at least once a week.**
- **Course dates are listed on the MCC website and in the course calendar.**
- **If the student goes longer than 2 consecutive days without logging in AND completing work, the instructor will take the absence as evidence of a desire to be dropped from the course.**
- **You may not remain in the course solely by logging in. You must also complete work in Brightspace AND Revel.**
- **Attendance will be taken each day, usually using discussion board participation. A student that has completed the assigned work will be counted as present.**
- **(If work is completed ahead, attendance is taken based on the work completed. Meaning, if you have already done the work, you will be counted as present for that day.)**
