Each unit will close and all work must be completed by 11:30pm on Tuesday, Thursday or Sunday one week later. Because you have basically 8 days Units are available at 1:00 am and close at 11:30 pm) to complete all assignments, no late work will be accepted. At most times in the course, you will have 3 units available to work on. I strongly suggest that you not wait until the day work is due to complete assignments.

You will be able to view material in previous units by clicking on the appropriate unit link under the Course Units section. You will not be able to view a unit ahead of its posting.

The college attendance policy states that you must attend 75% of classes. In this class, attendance will be measured by the participation in discussion boards. You must participate in 75% of all Creative Meetings (discussion board assignments) to meet the minimum attendance requirements. If you fail to participate in 75% of all Creative Meetings (discussion boards), you will be dropped from the course.

Student Behavioral Expectations or Conduct Policy:

I consider the online classroom a training ground for your work environment. Consider class time a meeting with a boss or client. In a business meeting you would be courteous and considerate and actively participate. Civility will be expected by all. Please read the Wikipedia policy on civility at <http://en.wikipedia.org/wiki/Wikipedia:Civility>

While Wikipedia is not an online course, many of these principles apply. Especially note the following sections: the nutshell and introductory paragraphs defining civility, Problems, Examples, and Why is it Bad. Please police yourselves so that our class discussions are positive and enriching, not offensive or belittling.

In accordance with the "General Conduct Policy", MCC intends to provide an atmosphere conducive to learning. Adherence to the behavioral standards of mutual respect and academic honesty is expected of all students. Refer to the "General Conduct Policy" printed in the Highlander Guide for a more inclusive discussion of acceptable classroom conduct.

Cheating is unethical and will not be tolerated in my class. If I believe you are guilty of cheating you will receive an "F" for the assignment. Cheating includes using another's work as your own or allowing your work to be used as another's. I also believe cheating involves using materials not accessible to all students, such as the solution manual for the text.
