*****INSTRUCTOR NOTE:*****

Do not submit *.pages, *.numbers, or *.key files. These are Apple iWorks files and cannot be opened. If you submit Apple iWorks files and your work cannot be opened by the instructor, you will receive a zero for the assignment.

Do not submit *.odp, *.odt, or *.ods files. These are OpenOffice files and, when opened in Microsoft Office, will lose formatting and document properties. If you submit OpenOffice files and your document loses formatting when opened, you will lose any points associated with the formatting of the document for the assignment.

Late Work, Attendance, and Make Up Work Policies:

Work is to be turned in according to the due date on the course schedule. The student may turn in items or attempt tests, quizzes and final earlier but may not turn in items or attempt tests, quizzes, final after the due dates. Quizzes and tests will NOT be available after the due dates. Exceptions are at the discretion of the instructor and will be subject to a grade penalty. You have 9 days to complete the Units 1-2 and 8 days to complete Units 3 & 4. Pace your work accordingly. If you wait until the last day to complete work, you may run into unexpected issues and have trouble completing all the assignments. That is due to a lack of planning, not a lack of time to complete the work.

At the end of the semester, I will drop the lowest grade in each of these categories -- Review Questions, Application Exercises and Chapter Quizzes. In addition, I will provide you two "Passes." By using a Pass you may choose to not complete two assignments (Review Questions or Application Exercise) at any time in the semester and receive a grade of 99.9%. In order to use a Pass, just type the word *Pass* in the assignment submission. **The use of a Pass must occur before the assignment deadline.**

All course work must be complete by 7/6.

There are 60 graded items in this course. If a student fails to complete 25% of the assignments by the due date for those assignments, they can be dropped from the course. In other words, if a student has not completed the 15 tasks in the Orientation Unit and Unit 1 by the due date, they will have missed 25% of the course and can be dropped.

You are responsible for submitting the correct/completed documents for assignments. Double check your submissions. If blank documents are submitted for assignments, a grade of 0 will be given and there will not be an opportunity to revise the submission.

Student Behavioral Expectations or Conduct Policy:

This online classroom is a training ground for your future work environment. Consider class time a meeting with a boss or client. In a business meeting you would be courteous and

considerate and actively participate. Civility will be expected by all. Please read the Wikipedia policy on civility at <http://en.wikipedia.org/wiki/Wikipedia:Civility>

While Wikipedia is not an online course, many of these principles apply. Especially note the following sections: the nutshell and introductory paragraphs defining civility, Problems, Examples, and Why is it Bad. Please police yourselves so that our class discussions are positive and enriching, not offensive or belittling.

In accordance with the "General Conduct Policy," MCC intends to provide an atmosphere conducive to learning. Adherence to the behavioral standards of mutual respect and academic honesty is expected of all students. Refer to the "General Conduct Policy" printed in the Highlander Guide for a more inclusive discussion of acceptable classroom conduct.

Cheating is unethical and will not be tolerated in my class. If I believe you are guilty of cheating you will receive an "F" for the assignment and may receive an F for the course. Cheating includes using another's work as your own or allowing your work to be used as another's. I also believe cheating involves using materials not accessible to all students, such as the solution manual for the text.
