Methods of Teaching and Learning:
Ensemble rehearsals and performance

Course Objectives and/or Competencies:
Each ensemble will perform at least once per semester. Rehearsals will focus on the development of listening and ensemble skills, including but not limited to good intonation, rhythm, balance, blend, matching styles and articulations, and sightreading. Students will also be expected to demonstrate professional behaviors in both rehearsal and performance. Ensembles will learn music from a variety of musical styles and periods.

Course Attendance/Participation Guidelines:

Attendance is mandatory. Each unexcused absence will result in the lowering of the semester grade by one half of a letter grade. More than two unexcused absences may result in dismissal from the ensemble. Absences may be excused in the event of illness, family illness or death, or if effort is made to communicate the conflict well in advance to both the instructor and fellow members of the ensemble. Scheduling will be handled on an individual basis, with coachings occurring on Fridays. In-person office hours will be maintained from 12:30pm to 1:00pm on Fridays. Other meetings may be scheduled at the mutual agreement of the student and professor, and will be held on Zoom.

If a student is not in attendance in accordance with the policies/guidelines of the class as outlined in the course syllabus as of the course census date, faculty are required to drop students from their class roster prior to certifying the respective class roster. A student's financial aid will be re-evaluated accordingly and the student will only receive funding for those courses attended as of the course census date.

Before the 60% point of the semester, a student who is absent for 25% or more of a face-to-face or blended course or who misses 25% or more of assigned work for an online course will be withdrawn from the course with a grade of W. A student may also request to be withdrawn with a grade of W before the 60% point of the semester. After the 60% point of the semester, the student may request to be withdrawn if the student is passing, or be assigned the final grade earned at the end of the semester after grades have been updated to reflect missing work.
