Prerequisites and/or Corequisites:
Corequisite: concurrent enrollment in a Commercial Music Ensemble – exceptions must be approved by program director.

Course Notes and Instructor Recommendations:
It is recommended that students keep a practice journal in which practice time, material practiced, questions and observations are logged.

A jury will be played at the semester's end for the string faculty. This will demonstrate the work done and progress achieved during the semester. Scales, arpeggios and several songs will need to be prepared for this event.

Students are required to practice at least one hour per day. Bass guitar majors should set aside time to practice 2 hours per day.

Students are required to submit 5 written reviews of MCC Music or Music Industry Careers ensembles (in which they did NOT perform) throughout the semester. An outline/format for written reviews will be provided.

It is highly recommend that students purchase a metronome and an electronic tuner. These items can be found at any music store or online for anywhere from $20.00 to $50.00 or more.

	Concert Reviews	15%
	Jury	15%

Late Work, Attendance, and Make Up Work Policies:

Attendance is vital. You will see your instructor only once a week – for a little less than one hour! Missing **one** lesson is the same as missing **an entire week** of a M-W or T-TH class.

After 4 absences (25% of course meetings) you will be dropped from the course.

Make-up lessons will be given at the discretion of the instructor and only if prior notice for the missed lesson has been given by the student. For more on attendance, see the MCC attendance policy.

Student Behavioral Expectations or Conduct Policy:

Students are expected to maintain classroom decorum that includes respect for other students and the instructor, prompt and regular attendance, and an attitude that seeks to take full advantage of the educational opportunity.

(https://www.mclennan.edu/highlander-guide/policies.html)

Click on the link above for the college policies on attendance and absences. Your instructor may have additional guidelines specific to this course.

Course Attendance/Participation Guidelines:

If a student is not in attendance in accordance with the policies/guidelines of the class as outlined in the course syllabus as of the course census date, faculty are required to drop students from their class roster prior to certifying the respective class roster. A student's financial aid will be re-evaluated accordingly and the student will only receive funding for those courses attended as of the course census date.

Before the 60% point of the semester, a student who is absent for 10% or more of a face-to-face or blended course or who misses 10% or more of assigned work for an online course will be withdrawn from the course with a grade of W. A student may also request to be withdrawn with a grade of W before the 60% point of the semester. After the 60% point of the semester, the student may request to be withdrawn if the student is passing, or be assigned the final grade earned at the end of the semester after grades have been updated to reflect missing work.
